New Technology Services Request Forms Now Available!

Technology Services is excited to introduce new online forms for requesting our services! **Simply click on the "Request Services" button on the left sidebar**, located on all Technology Services webpages. **Here are a few things to note:**

- When a form is submitted, it creates a ticket in our KACE ticketing system. You will receive a confirmation email (from an @support.fhsu.edu address) and can simply reply to it if you wish to add a comment or ask a question about your request. If desired, you can also click on a link to log in with your TigerNetID to view the status of the ticket or add a comment.
- For technology purchases, Cost Center Managers will receive approval request notifications and can indicate their approval by simply responding to the email (this will create a comment in the ticket).
- Additional forms are currently in development for special types of requests. We hope to have those fairly soon, but until the new forms are completed, the following services should continue to be requested using the CTC Request for Services forms in Lotus Notes:
 - Telecommunications/Phone requests
 - Reports and Data/Statistics requests
- Previous/old requests will be kept in Lotus Notes, not migrated to the new request system.

Music Stand Round-Up

As the school year begins, the Dept of Music & Theatre needs *every stand we own* back in our Dilley Rehearsal Hall for our bands, orchestras, and practice rooms. Please do NOT keep a music stand for your personal lectern! Over the last year, and especially during summer High Plains Music Camp, music stands may have “migrated” to your classroom or building. IF SO, please simply drop me an email to state which building / what room they are in and I will gladly come collect them.

Thanks!

-Dr. Terry Crull, Associate Professor of Music

Novels for Hope

Novels for Hope is a dynamic book club bringing students, faculty, and staff together to explore current social justice issues & diversity topics. Our purpose for Novels for Hope is to keep conversation continuous on campus amongst students, faculty, & staff on issues of race, religion, ethnicity, sexuality, and gender.

The Office of Inclusion and Diversity Excellence will be hosting the club in reading five books throughout the year. The book selection is a mixture of fiction & non-fiction literature to appeal to a variety of demographics.

Fall 2018-2019 Novels:

- Educated: A Memoir - Tara Westover (September)
- I Know This Much Is True - Wally Lamb (November)
- Little Fires Everywhere - Celeste Ng (January)
- Heart Berries: A Memoir - Terese Marie Mailhot (February)
- Just Mercy: A Story of Justice and Redemption - Brian Stevenson (March)

You can participate in one, two, or all five novels throughout the year. Being a part of the club does not mean you have to join us for every novel. You must register for each book in order to participate. The first 20 people to register will receive a free copy of the novel. Register today to participate in our first novel on [Tiger Link](#).

For questions or additional information contact Shianne Cokely, Graduate Assistant for Inclusion & Diversity Excellence, at diversity@fhsu.edu.
